

Please submit your fully completed application with a **\$20.00 non-refundable application fee**. **The acceptance of this application does not ensure a room assignment.**

Once the Department of Housing and Residential Education receives the completed application and \$20.00 fee, you will be sent a housing contract. Upon completion and with submission of the housing contract, you will need to send a \$200.00 refundable housing deposit and completed immunization form to The University Village at Purdue University Calumet. The housing deposit is refundable until your housing contract is signed by the resident and director. The housing contract will then be held on file by the Department of Housing and Residential Education. **Submitting a completed housing contract and a \$200.00 housing deposit does not guarantee a room assignment.** Room assignments are limited and will be available on a first-come, first-served basis. The prospective resident's file must be complete with the following on file in order to be considered for a room assignment: housing application, \$20.00 non-refundable application fee, housing contract, \$200.00 refundable housing deposit, and immunization form. A room assignment is reserved only upon execution of the housing contract by all parties. Housing costs are subject to change.
