PURDUE
UNIVERSITY
CALUMET

Fall 2006 Accomplishments in Student Affairs

Restructured the department: Campus Life and Dean of Students; Educational Opportunity Programs; Health, Recreation and Sports; Student Development and Outreach

Published *Class Act*, 235 programs were presented in classrooms, 100 presentations were made in local high schools and 20 programs were offered at the Academic Learning Center

Published *Student Affairs fast glance* that provides a brief overview of the responsibilities within each office

Published *footnotes*, a quarterly publication that highlights the work of Student Affairs, sent to faculty and staff, also available online

Established Off-Campus Housing Referral Services within the Office of the Dean of Students

Developed a series of Parent and Family Programs: welcome letter sent to parents of incoming students, showing of the movies *Monster, Inc* and *Polar Express*, posted Frequently Asked Questions and Answers on the web

Changed name from Student Services to Student Affairs to more accurately reflect our work in meeting the needs and expectations of students, faculty, and staff

Revised and upgraded New Student Orientation

Hired Chris Kosovich, Web and Communications Specialist, who serves as a technology and information systems advocate with dual reporting between University Relations and Student Affairs

Held monthly First Friday Meetings

Appointed Five Subcommittees in Student Affairs: What's in a Name, Electronic Calendar, Student Affairs Programming and Services Beyond Gyte, Professional Development, and Emergency Preparedness

Relocated the Office of Student Activities and New Student Orientation

Relocated the site for photo IDs

Located a storage space for Upward Bound

Renovated one Student Support Services Testing Room

Renovated three offices in Educational Talent Search

Regained office and storage space in Health, Wellness and Sports

Established the Peregrine Loops program

Established the game room adjacent to the Fitness Center

Established the University Programming Board that was instrumental in planning collaborative programs and activities

Student Activities collaborated with various offices to present such programs as: speaker David Coleman, Stress Free Week, an Open Mic Night, Operation Night Café, University Village Karaoke, the Financial Fitness Fair, and the First Annual Pancake Study Break

Developed relationship with the Northwest Indiana Symphony Orchestra that provides students with free tickets and transportation to eight performances throughout the year

Prepared for the April 15, 2007 dissolution of American Campus Community's management relationship with the University Village

Changed the name of Student Housing to Housing and Residential Education to more accurately reflect the educational component of the residential program

Prepared to require immunizations for all University Village residents effective Fall 2007

Provided information to Student Service Fee Committee members that created transparency in the decision-making process

Established an External Advisory Board consisting of seven members from the community at large

Evaluated the Staff Satisfaction Survey and established five priorities for addressing "the gaps;" action plans were developed for each priority with implementation to begin in January of 2007
